

Victoria Real AG informs about planned change in strategy

Munich, 12.03.2018 - Victoria Real AG informs about a planned change in corporate strategy. The company intends to change its name to Black Pearl Digital AG und to replace the existing management board. The current board member, Mr Robert Käss will step down from his position, while Navigator Equity Solutions SE will remain the majority shareholder of Black Pearl Digital AG.

The proposed new member of the management board, Dr Florian Pfingsten intends to position Black Pearl Digital AG as a consulting and investment company focussing on high-growth, early-stage technology companies. The company will focus its investment efforts in the potentially attractive areas of „Digital Transformation“, „Fintech“ and „Digital Assets“. It will be the company’s strategy not only to provide financing to promising companies serving these areas, but also to support portfolio companies operationally, especially around strategy and finance.

Dr Pfingsten brings long-standing experience in venture capital and private equity investing as well as managing publicly-quoted companies to Black Pearl Digital AG. It is planned to implement the proposed name change as well as changes to the management board and possible changes to the supervisory board as soon as possible, in order for align the company’s public representation with the new strategic focus.

The company will hold a shareholder meeting in the near future in order to vote on the proposed changes to the articles of association necessary to implement its new strategy.
