

## **Extension of Management Team of Black Pearl Digital AG**

*Munich, 01.10.2018* – Black Pearl Digital AG (ISIN: DE000A2BPK34) announces the extension of its management team. As part of its ongoing growth strategy in its ICO (“Initial Coin Offerings”) management division, the management is pleased to welcome Martin Pachtner as ICO manager to the company. Martin holds a master in economic geography with longstanding experience in the Fintech sector and an in-depth knowledge in the management of complex software development projects.

Most recently Martin worked for draglet GmbH, a Munich-based software development company. Draglet develops software applications and enterprise solutions based on Blockchain technology and is a leading provider of white label crypto-currency exchange solutions. At draglet, Martin successfully executed several Blockchain-related projects around crypto-exchanges and ICOs.

In his new capacity as Business Development Manager at Black Pearl Digital AG, Martin will report directly to the members of the management board. “We are proud to welcome Martin to the Black Pearl family. He brings longstanding experience in the Fintech sector in general and an in-depth knowledge in the execution of ICOs in particular to our company”, says Johannes Angermeier, member of the management board of Black Pearl Digital AG. “The market for ICOs is developing extremely dynamically und is currently one of the fastest growing areas in the Fintech sector. I am looking forward to my new challenge to establish Black Pearl Digital AG as leading player in this field”, adds Martin.
