

Black Pearl Digital AG plans to join Primärmarkt of Duesseldorf Stock Exchange and XETRA-Listing

Munich, 02.01.2019 – Black Pearl Digital AG (ISIN: DE000A2BPK34) announces the successful conclusion of its current capital increase with delivery of the new shares during the last couple of days. Simultaneously the company has initiated the necessary steps to achieve a stock exchange segment upgrade into the Primaermarkt of Duesseldorf Stock Exchange.

Companies listed in the Primaermarkt have the obligation under the listing regulations of Duesseldorf Stock Exchange to adhere to higher standards of publication and to inform shareholders on an ongoing basis of all relevant events around the company. At the same time, the listing in the Primaermarkt enables the company to apply for a listing on XETRA, the electronic trading platform of Frankfurt Stock Exchange.

Apart from increased transparency, Black Pearl Digital hopes to provide enhanced tradability of its shares and expects implementation of these measures during January 2019.
